Two Entire Divisions Surrender
to Bulgarians. Garrisons

EUROPE IS GROWING WARLIKE

Vienna, Nov. 29.—The assertion that Serbia is mobilizing against Austria-Hungary was made today by Reichpost. Entrenched positions near Semendria on the Danube are occupied already by Servians. Servian recruits belonging to contingents to be called up to 1913 and 1914 have been called out.

Christian prisoners among the Turkish troops captured are being induced to serve in the Serbian army. Weapons captured from the Turks are being hurriedly repaired in the great Servian arsenal, where also ammunition is being manufactured in large quantities. The cattle and cereals requisitioned are being taken to Nish, which Reichpost says will be formed into a Servian Tchatalja, or last line of defense. The garrison entrenched in camp there is being rapidly raised to 120,000.

Durazzo, Albania, Nov. 29.—The Servian troops occupied the town today. No resistance was offered. An Austrian steamer left immediately with a number of refugees.

Durazzo is the port on the Adriatic which Serbia desires to retain and which Austria is determined Serbia shall not hold.

Turkish Troops Reduced.

Sofia, Nov. 29.—Two entire divisions of Turkish reserves surrendered today to Bulgarians near the village of Marhamli between Port Pedragh and Demotika, according to an announcement made by an official news agency.

A fierce fight between the Turks and Bulgarians preceded the capitulation of the Turkish reserves. Two generals, 252 Turkish officers, and nine thousand men surrendered. The lot included ten guns, large quantity of ammunition and a thousand horses.

The Bulgarian trenches now approach to within eleven hundred yards of the city of Adrianople. Foreign consuls hoisted flags over their offices to prevent the Bulgarians from firing shells in their direction.

According to a report from Adrianople, the original Turkish garrison has been reduced by losses during desperate sorties, and by deaths from disease to less than half of its strength at the beginning of the siege.

The Servians captured the town of Dibra in Albania after a desperate encounter with the Turks. With the capture of Dibra the whole of Macedonia has been subdued.

Germany is Prepared.
Berlin, Nov. 29.—German Minister of War Von Heeringen, said today in the imperial parliament:

The Austrian and German consulates at Kiev are guarded by strong forces of police.

Warlike Preparations.

Chicago, Ill., Nov. 29.—The Daily News of Christiania, Norway, says: "Warlike preparations are still going on in Norway. The importation of coal last month was enormous. SEES "DYNAMITER" WITH FUNNY FACE

GIRLS IDENTIFY TWO CLEVELAND MEN AS THOSE THEY SAW WITH A BOX.

Indianapolis, Ind., Nov. 29.—Miss Clo Beard, aged fourteen, picked out from the forty-five defendants in the "dynamite" trial today, two men whom she said she saw shortly before the explosion at North Randall, Ohio, March 25, 1911. That explosion in an ore conveyor caused damage of fifty thousand.

She said with her sister she was going along a lonely road toward home and met two men carrying a box between them. One of them had a "funny face."

"Funny face?" asked the district attorney. "Do you see him?"

"Yes, that's him," replied the girl, pointing to George Anderson of Cleveland, a defendant, "and there in the other one," she added, pointing to Peter Smith of Cleveland.

"We hadn't been home more than an hour when the explosion a mile away knocked the dishes off the table."

Her sister, Laura Beard, aged 18, also identified the men.

The box, the sisters said they saw in the hands of Smith and Anderson was produced in court and was identified by other witnesses as having been found in the wreckage of the explosion.

ARMY FAVORED TO WIN GAME

Sixteenth Annual Football Contest With Navy on Franklin Field Tomorrow

WASHINGTON SOCIETY ON HAND

Proceeds to Be Used For Relief of Dependents

Philadelphia, Pa., Nov. 29.—The 1912 football season will close tomorrow afternoon with the annual battle between the West Point and Annapolis teams on Franklin Field. From a social standpoint the game eclipses all others. Washington society never fails to attend the game in force, while everybody who can get away from the War and Navy and other departments in the national capital are to be found in the stands. The battalion of cadets from each academy will attend the game, together with a host of army and navy officers from all of the stations within a radius of 300 miles of Philadelphia.

Teams in Great Shape.

The betting today about the hotels and other places where the visitors congregated shows the Army to be a favorite. The West Point team has played stronger eleven this season and therefore has had more experience than Annapolis. But the latter team possesses much good material and the naval contingent stood ready to cover the Army money about as rapidly as it was offered. The coaches this afternoon reported their respective teams in fine physical condition and confident.

Tomorrow's game will be played as usual under the auspices of the University of Pennsylvania, which was instrumental in bringing the two academies together in 1899 for annual football games after a break of six years. Since 1899 all games have been held on Franklin Field except the contest of 1905, which was played at Princeton.

Seven Victories For Each.

The first time that the blue and gold of the Navy met the black, gold and gray of the Army gridiron was in 1899, when the Annapolis team defeated the West Point eleven by a score of 21 to 6. Since then fifteen games have been played between the two academies. Of this number each institution has seven victories to its credit, the contest in 1905 having resulted in a tie. The total scores are, Army 160; Navy 118.

A record breaking crowd of more than 30,000 spectators is expected to witness the game tomorrow. A total of 30,650 tickets for the game have been equally distributed between the University of Pennsylvania and the two academies.

Proceeds to Widows.

The West Point and Annapolis share of tickets are not sold but distributed gratis to officers and others identified with the two arms of the service and to prominent men in government circles. Pennsylvania's share was sold this year at \$3 a ticket, an increase of 50 cents over the highest price heretofore. The proceeds of the sale are given to the organizations for the relief of the dependent widows and orphans of officers and enlisted men of the army and navy.

WILL INCREASE PENSION BUDGET

\$200,000,000 Is Required by the
Sherman Law Now in Force

Washington, D. C., Nov. 29.—Appropriations of nearly two hundred million dollars for pensions for veterans of American wars will be necessary at the short session of Congress that opens Monday. The unusual sum exceeding all appropriations of former years will be necessary to make up the deficit of nearly twenty millions, resulting from the increase of pensions under the Sherwood law and a proportionate increase of the general pension budget will be occasioned by this act.

Not To Renew Treaty.

Washington, D. C., Nov. 29.—The Taft administration, it was made known today, does not intend to make an agreement or to enter into negotiations to supplement the treaty with Russia which expires January 1. The question of a new treaty and the subject of the treatment of American Jews traveling in Russia, which raised a storm in the U. S. last spring, will be one of the heritages Taft will leave to Wilson.

WIFE'S DEATH PATHETIC.

Passing of Capt. Robert Ocha Recalls Circumstances.

The recent death of Capt. Albert Ocha, Captain of the Eagle Harbor life saving crew, recalls to an old friend in the service, the pathetic circumstances of his wife's death in February, 1910. Capt. Ocha was left with seven motherless children to care for. Owing to the isolation of the station at Two Heart river, the nearest physician was 39 miles distant at Grand Marais.

Weather and snow condition were such that the dog teams ordinarily used by the keeper could not be taken out. Capt. Ocha walked the 39 miles for a doctor at times sinking to his antrips in tremendous snow banks, only to find that no physician could undertake the trip until the storm had abated. Medical aid did not reach the station until after Mrs. Ocha's death.

With his own hands, Capt. Ocha made the coffin box to contain his wife's form and the mother of the little flock was laid away in the frozen snow banks until it was possible to prepare a grave in the earth.

BLANCHE BATES WEDDED.

Ossining, N. Y., Nov. 29.—The wedding of Miss Blanche Bates, the actress, and George Creel, who holds the office of police commissioner in the city of Denver, took place at the bride's country home near here yesterday. The ceremony was attended by a number of persons well known to the stage and in public life. The couple have planned a honeymoon trip to Cuba and Panama, returning to Denver in the spring to make that city their home.

LYNN MURDER MYSTERY.

California to Be Tried For Murder of George E. Marsh.

Salem, Mass., Nov. 29.—With the conclusion of the Etter-Giovannitti trial, the Essex county authorities are preparing for another trial that promises to attract wide attention. The case to be tried is that of William A. Dorr, of Stockton, Cal., who is to answer for the alleged murder of George E. Marsh, an aged and wealthy resident of Lynn.

On the morning of April 12 last the dead body of Mr. Marsh was found by the roadside in the section known as the Lynn marshes, a larger part of which is swept by the sea at high tide. The evidence showed that the man had been shot to death and his body probably conveyed by automobile to the spot where it was found.

A search of the personal papers of the dead man furnished information that led to Dorr's arrest in Stockton about two weeks after the murder. The papers showed that Mr. Marsh was the executor of an estate of which a woman relative in Stockton was the chief beneficiary. Dorr, the suspected murderer, was the woman's prospective heir. In the ordinary course of events the estate would have been finally settled within four years. The police theory is that Dorr committed the murder in the belief that the death of Mr. Marsh would result in an immediate settlement.

DISCUSS LINE-UP FOR 1914 EARLY

FERRIS TO LEAD DEMOS—KELLEY OR MARTINDALE G. O. P. OSBORN "BULL MOOSE."

Lansing, Mich., Nov. 29.—Although it is over a month before Governor-elect Ferris will be inaugurated, state politicians are already figuring on the line-up for the gubernatorial race in 1914. Present indications point to three parties at that time, as the National Progressive leaders are organizing political clubs and talking of candidates.

That Ferris will lead the Democratic party two years hence, if he wants to, is pretty generally conceded. His chance of re-election depends on the continuance of the other two parties and his record in office.

The fight for the chance to lead the Republican state ticket in 1914 is likely to be a "poor man's fight" as none of the men mentioned for the place are wealthy and able to spend any great amount of money for campaign purposes. Patrick H. Kelley, recently elected congressman-at-large and candidate for governor two years ago, is the leading gubernatorial possibility at the present time.

Secretary of State Frederick C. Martindale is also being frequently mentioned for the job. Martindale, with practically no money, gave Musselman the race of his life for the nomination this year, and he is still figured as strong.

The "dark horse" of the probable struggle for the nomination is A. C. Carton, secretary of the public domain commission and land commissioner-elect.

The Progressive candidates are not so thick, but if the leaders have their way Governor Chase S. Osborn will be the party standard-bearer. They contend that had he run this year he would have been elected this year at the head of their ticket and would have carried the entire state ticket through with him.

Osborn hasn't committed himself on the subject yet, but his closest friends admit that he is a Bull Moose.

NEW CHAMP OF LIGHTWEIGHTS

Ad Wolgast Loses on Foul of
Richie in 16th

San Francisco, Cal., Nov. 29.—A new champion wears the lightweight crown today as a result of yesterday's decisive defeat of Ad Wolgast by Willie Ritchie. Although he lost the battle on a foul in the sixteenth round, the Michigan wildcat was hopelessly whipped and there can be no doubt the victory was a well deserved one.

The unexpected end of the fight came after those at the ringside noticed in the fifteenth round that Wolgast's strength was waning. The boys faced each other in the sixteenth, Ritchie confidently carrying the milling to the now serious champion, from whose face the sneering smile had passed. As Wolgast was going away, Ritchie made him wince with a two-handed volley to the mid-section and then, quickly as the bat of an eye, a crushing right shot out and caught the Cadillac fighter fairly on the jaw. He fell back on the ropes and sagged, pitching forward in another instant toward his corner. Ritchie crowded him and, as he raised his head, the San Francisco boy repeated the right cross. Wolgast, the invincible, went sprawling. At the count of four, Wolgast, his brain clouded, flung himself, through sheer instinct, at his antagonist, rushed to meet him and the two exchanged blows. Wolgast was badly dazed, but he covered so that Ritchie could not send in the finishing smash. Only twenty-four seconds remained of the round. Ritchie, near his own corner, poised the deadly right cross again when Wolgast's left hook took him low. Billy Nolan, Ritchie's manager, leaped to the edge of the ring and shouted to the referee and hundreds of voices raised the cry of "Foul!"

Griffin rushed over and cautioned Wolgast. In another instant the left rip of the champion found the same sore spot. Ritchie tried to fight back, but he was plainly in distress.

Griffin, without hesitating, rushed between the fighters, pushed Wolgast aside and raised Ritchie's hand in token of victory. The crowd at the ringside cheered him and handrails rushed to shake his hand when he left the ring.

Joe Rivers Victor.
Los Angeles, Cal., Nov. 29.—Joe Rivers of Los Angeles won the decision over Joe Mandot of New Orleans in a twenty round fight here yesterday. Rivers is now the logical man to meet Willie Nolan, Ritchie's manager, who won the lightweight championship from Ad Wolgast at San Francisco.

It was a clean-cut victory for the Mexican, who showed a remarkable reversal of form, exhibiting more speed and cleverness than heretofore in his career. Only one decision was possible.

OBSERVE THANKSGIVING.

Calumet Marks Day According to Usual Custom.

Thanksgiving day was generally observed in Calumet yesterday. Except that the mines did not shut down, business of every kind was suspended. The day was marked generally as a home holiday.

Special Thanksgiving services were held at the Laurium M. E. church, and the day was also observed in the several Catholic churches. The moving picture houses did a thriving business last evening and numerous parties and social gatherings were well attended. The weather throughout the day was ideal.

TO WINTER IN GREECE.

Socrates Antioch left Wednesday afternoon for Greece, where he will spend the winter, visiting with his mother and several of his brothers and sisters. He came to Calumet when a boy of twelve, and was educated in the local schools. He is a nephew of George Antioch, proprietor of a number of Greek stores in Calumet.

ADMITS HE KILLED TWO LITTLE BOYS

J. Frank Hickey Confesses to
Josephs and Kruck Child
Murders

MANIA TO SLAY HE CLAIMS

After Drinking Heavily He Tells

Police He Wants to Kill

Children

WAS RELEASED ONCE BEFORE

Buffalo, N. Y., Nov. 29.—J. Frank Hickey today confessed to the murder on October 12, 1911 of Joseph Josephs, the seven-year-old Lackawanna boy and Michael Kruck, New York newsboy on December 12, 1902.

The confession was made to District Attorney Dudley. It was begun on a train that rushed Hickey, Dudley and Chief of Police Gilson from New York city last Wednesday and was completed this morning. The whole story was reduced to a formal statement which was signed by Hickey.

Hickey attributed his crimes to the excessive use of liquor. When intoxicated he said he possessed an irresistible mania for killing boys. He said he was repentant and proclaimed himself ready to pay the penalty.

The body of Josephs was found in a cesspool back of a saloon in Lackawanna, November 15th. Josephs was seven and Kruck, 12 years of age. Death in both instances was due to strangulation.

The body of Kurko was found in an excavation in Central Park, New York City, Dec. 10, 1912. Death was due to strangulation. Suspicion was directed to Hickey at that time and he was picked up in Buffalo, in a maulin condition. In a semi-delirious state he confessed the murder, but when the effects of liquor wore off he repudiated the confession and was released owing to lack of evidence.

HARVESTER "TRUST SUIT."

Evidence of Price Cutting and Fixing Introduced.

Chicago, Nov. 29.—Attorney Grosvenor today in the suit of the government to dissolve the International Harvester Co. drew from the reports of the sales committee of the company, the alleged evidence of price-fixing and price-cutting.

Grosvenor brought out that the chief competitors at which these tactics were aimed at one period were the Minnie Harvester Co. of Minneapolis and its subsidiary, the American Grass Twine Co. of St. Paul. The prosecutor showed that in 1902 these firms went into bankruptcy and that the International purchased the assets at a low figure.

MAY PROTECT GAME

Sportsmen's Ass'n. Planning to Make Recommendations to Legislature.

Lansing, Mich., Nov. 29.—Plans for a campaign for better protection of game are being made by the Michigan Sportsmen's Association and the subjects will be brought before the next legislature.

Among the points of the proposition is that of conservation. The fish commission and the game warden's departments into a state board of fish and game, with non-resident members, who would appoint the game warden, recommend a hunters' license fee of \$1 for state residents and \$10 for non-residents who wish to hunt in Michigan.

EQUAL SUFFRAGISTS.

A meeting of those interested in woman's suffrage was held in the Red Jacket town hall last evening. The occasion was a celebration of the great fight put up by the women of the state at the last general election. While it was evident to those present that the issue did not carry, the meeting was a most enthusiastic one. There were several addresses by well known local leaders of the cause. A number of vocal and instrumental selections also helped to while away a pleasant evening.
